Usually the minister and churchwardens should be the petitioners. Where that is not the case, please provide an explanation here (including details of the interest which it is said that a person who is not the minister or a churchwarden has in the matter).

We petition the Court for a faculty to authorise the following—

Restoration work to the organ entailing the replacement of two soundboards that date from the 1990s and the cleaning, repair and regulation of all associated pipework. Two tonal changes will also be made to the organ. The work will require internal scaffolding and parts will need to be made and/or repaired off-site.

*Copies of the Standard Information Form and any drawings, plans, specifications, photographs or other documents showing the proposals must be provided with this petition.*
